*The Parkridge Community Association Newsletter for March and April 2016*

## Volunteer for YOUR Community Association

Taking that extra initiative in your neighborhood creates a healthier community for you and your family. Join OUR local Parkridge Community Association!

Saskatoon Community Associations help build relationships among neighbours. When residents join together to plan programs and events, they not only get to know each other, they get to know the needs of their neighbours and the issues facing the community.

**We look forward to  
YOU taking part**

## A MESSAGE FROM YOUR PCA EXECUTIVE COMMITTEE

Hello Neighbours! Has it really been almost 2 months since we delivered our first newsletter in a couple of years? Wow, have we ever been busy since then too! First we'd like to congratulate our winners from the "Parkridge Christmas Lights Display". We had a great time checking out the homes – and an honourable shout out to Sherry Crescent/Way/Court/Place where just about every house was lit up! Some of those houses are STILL lit up – drive by and take a look! The prize winners were as follows:

**3rd Place – Sherry Crescent**

**2nd Place – Batoche Crescent**

**1st Place – Borland Crescent**

We had a great turnout for our Winter Classic on January 23rd – so a HUGE thank you to Dave Thomas and his crew for putting on such a fun event. We've also had a good turnout for some of our Indoor Programs – are you registered yet? We still have a lot more events in the coming year so keep logging on to our Facebook page in between these newsletters! Don't forget Soccer and Softball (girls) Registration can still be done online at <https://ssa-parkridgecommunity.goalline.ca>

Consider this friends. We all love doing what we do within our Community and we encourage you to become a volunteer along with us. Get involved in the activities and meet your neighbours! Something as simple as helping with the distribution of these newsletters is an incredible help to us – so please contact Sally, our Communications Coordinator if you can deliver to your street or a street close by ([pca.sk.newsletter@gmail.com](mailto:pca.sk.newsletter@gmail.com)). Contact ANYONE on the Committee if you'd like to volunteer with any of the events or programs – it is a fun way to meet our neighbours – who are all JUST LIKE YOU! We are all busy people and we are involved in many different things outside the PCA, but when we all do a little together, we can all get a lot done quickly!

On behalf of the entire Parkridge Community Association, we thank you for your support within our great community and we look forward to working and playing with you!

MAKING SASKATOON WORK FOR YOU

ANN.IWANCHUK@SASKATOON.CA 380-6870 @IWANCHUK

## Ward 3 and the City:

Greetings! I am pleased to provide an update with respect to some initiatives and issues in the Parkridge area.

I was pleased to attend the Saskatoon Aces Winter Classic on January 23rd at the rink in Parkridge. What a great turnout! A huge congratulations to Dave Thomas and the other organizers for bringing this special event to Parkridge.

During the budget process, Council approved the installation of pathway lights and re-grading for drainage of walkways: Heise Crescent to Needham Crescent (east walkway) and Neatby Crescent to Needham Crescent (west walkway). The work is expected to commence either late spring or early summer.

The intersection of Diefenbaker Drive and 22nd Street has long been a problem with a high number of accidents. In 2016, work will begin to make that intersection safer.

In 2016, 12.2 kilometres of roadways in Ward 3 will either be micro surfaced or have bladework done.

Also approved in the budget was a .55 percent increase towards a residential snow removal program. This will not be enough to fund the program, but it is a start. You will notice improvements this year with the length of windows being reduced and school zones being cleared more

often, as well as improvements to the overall snow and ice program.

I am again receiving a number of calls about whether or not a roadway will be opened to allow access between Parkridge and Blairmore. A number of years ago, the residents of Parkridge were surveyed regarding their interest in having through access to Blairmore from McCormack Road. This proposal was wholeheartedly rejected by the residents at that time, and the City Council of the day respected the resident's wishes. Since that time, the land has been sold to private developers and there will not be an access road to Blairmore. This includes Kinloch Crescent where the Parkridge expansion is taking place.

I hope you have a fantastic spring, and I look forward to communicating with you in the coming months.

Warm Regards,  
Ann Iwanchuk  
City Councillor, Ward 3

## Jane's Walk

Jane's Walk is a FREE, community –building weekend of citizen-led walks that celebrate the diversity, joys and challenges of city life. Dedicated to Jane Jacobs (Urban activist and author), Jane's Walk continues the spirit of civic engagement advocated and achieved by Jacobs. This year, exciting walks are lined up including along 33rd Street, A Haunted Tour, and the North East swale. We don't have many walks outside of

downtown and we would like some of the other neighborhoods to show us what you're made of! Jane's Walk is a great opportunity to bring issues to light, share a hidden gem, or discuss the history of a place. Whatever the motivation, we encourage you to consider leading a "Jane's Walk" this year! Jane's Walk is May 5th – 8th and for more information, contact Lisa Karkut on the Jane's Walk Committee at [janeswalksaskatoon@gmail.com](mailto:janeswalksaskatoon@gmail.com)

A long time ago, in a land far away (and by that we mean, before having her children!), Shana Rushing used to work in the financial sector. However, once she had her children and wanted to spend more time with them, she began working part-time for a cleaning company. Shana quickly realized that there was high demand for the business and after some years in the industry, she started her own company. With her hands-on cleaning experience and attention to details with clients, it's not hard to see why the business is growing so quickly. Shana – along with Tasha who is the Administrative Assistant/Supervisor (and can be reached at 306-713-9009 or emailed at [admin@saskhomeservice.com](mailto:admin@saskhomeservice.com)) - meet each of their clients personally. They do a thorough walk through of the clients' home and create a customized checklist of what they would like

done. Shana then goes through the checklist with the cleaner responsible for the home to make sure they understand what needs to be accomplished. This is both reassuring and empowering for the homeowner, giving them a say in what they would like done, as well as meeting the person responsible for the company.

As with any great organization built on high standards, before an employee can clean a home alone, they go through weeks of training with a supervisor, making sure they adhere to the high standards set by Shana. Being Registered and Bonded means you can feel secure and confident in their abilities. Shana's company is also very conscious of their impact on the environment. They use a local company who has been making an eco-friendly name in the industry for over 20 years. Shana explains that "using safe products like these means you, your children, your pets AND your home, are not exposed to harsh chemicals. Our cleaners come to your home equipped with all their own supplies, even vacuums so there is no need for you to worry about providing the necessary tools. You can schedule a one-time clean for a special occasion or for moving in or out, or have someone come in once a week, every two weeks, once a month — whatever suits your needs and your lifestyle. And of course, all estimates are free".

On the other side of the coin, Shana says that with flexible hours and the ability to spend more time with friends and family, this job is a great way to meet and interact with new people. That is why she enjoys it so much. Check out Shana's Cleaning Services at [www.saskhomeservice.com](http://www.saskhomeservice.com) or call the office for your FREE estimate.. ■

# A SEASONAL SELECTION FROM...

Ironically, St. Patrick's Day is not all about drinking Guinness and dyeing city rivers Emerald green – although that is being done in more and more cities each year! St. Patrick's Day is a cultural and religious celebration held on March 17th each year – the traditional “death date” of St. Patrick (AD 385-461), the foremost Patron Saint of Ireland. St. Patrick's Day was made an official Feast Day in the early 17th Century and is observed to commemorate the arrival of Christianity in Ireland. St. Patrick's Day is a Public Holiday in the Republic of Ireland, Northern Ireland, the British Overseas Territory of Montserrat and our very own Canadian Province of Newfoundland and Labrador! Here are some fun facts about the Top Ten St. Patrick's Day Celebrations from Around the World:

1. Auckland, New Zealand celebrates day before anybody else does. Since the “Ireland to New Zealand” migration dates back as far as the mid 1800's and still continues today, there's lots of Irish pride in the city. Festivities include a dance and the lighting of the Sky Tower, green.
2. Cabo Roig in Spain hosts the largest Spanish St. Pat's Day event. IF you can pull yourself away from the white-sand Mediterranean beach, you'll find a parade, Irish Dignitaries, Flamenco dancers and a Guinness-fuelled fiesta!
3. Birmingham, England – on the Sunday closest to March 17th, you'll find a parade high-stepping through Digbeth, Birmingham's post-industrial Irish Quarter.
4. Dublin, Ireland opts for a 4 day celebration with over half a million revellers lining the almost 3kms route from Parnell Square to St. Patrick's Cathedral
5. Montreal, Quebec (yes – here in Canada!) – not rain, nor hail, nor snow has EVER cancelled a St. Patrick's Day parade since 1824! That's going on for almost 200 years!
6. Montserrat, West Indies (at least it's warmer than Montreal, right?!) – the first “Irish” on this Emerald Isle of the Caribbean were former servants fleeing religious persecution from some of the neighbouring islands in the 1600's. A weeklong festival is celebrated with calypso music.
7. Savannah, Georgia has been celebrating by hosting a 3 hour rolling street party since 1813 (that's longer than Montreal has!)
8. Chicago, Illinois – on the Saturday closest to St. Patrick's Day, the Chicago River is dyed (using 18kgs of EPA approved Emerald Green dye) and is the backdrop to a procession that begins with bagpipes and horses at noon.
9. Boston, Massachusetts – the nation's most “Irish” state (nearly a quarter of all Mass residents claim Irish ancestry) becomes St. Patrick Central hosting a Parade on the Sunday closest to St. Patrick's Day ever since 1901.
10. New York City, New York – the granddaddy of all St. Patrick Day parades – was started by homesick Irishmen serving in the British Army in 1762. The world's largest Parade hosts more than 2 million spectators annually, and takes almost 6 hours to make it along the parade route on foot as no floats or vehicles are permitted.

# Cooking Corner

In honour of St. Patrick's Day AND Easter – we're including 2 recipes for you to try in this edition. We'd love to get your feedback and photos for our next edition! Please email Sally at [pca.sk.newsletter@gmail.com](mailto:pca.sk.newsletter@gmail.com)

## Irish Guinness Lamb Stew

A traditional recipe that serves 6, made with lamb shoulder chops, bacon, potatoes, turnip, carrots, onion and barley. Slow cooked until fork tender. Cook the lamb pieces bone-in for better flavor, especially if using water instead of lamb stock. If you want, remove the bones before serving. Turnips are strongly flavored and add a good balance for the stew, so use them if you can. A waxy potato like a Yukon gold will hold up better for long cooking, but you can also use a starchy potato like a Russet, it will likely fall apart a bit, but that just thickens the stew. More barley will thicken the stew further.

- 2½ lbs lamb shoulder or shoulder blade chops, bone-in, trimmed of excess fat
- 6 slices thick cut bacon
- 2lbs potatoes (Yukon gold preferred), peeled, quartered
- 2 large onions, quartered
- 2 large carrots, peeled and cut into 2-inch segments
- 1 turnip, peeled and cut into 1-inch pieces
- 2 heaping tablespoons pearl barley (omit for gluten-free version)
- 1 tablespoon chopped fresh thyme or 1 teaspoon dried thyme
- Salt and freshly ground black pepper
- 5 cups Guinness, warmed

1. Heat a large (6-quart), thick-bottomed Dutch oven on medium heat. Layer the bacon on the bottom of the pan and cook the slices gently, a few minutes on each side, until much of the fat has been rendered out, and the slices have browned lightly. Place the cooked bacon strips on a paper-towel-lined plate to absorb the excess fat. Chop the bacon

and set aside.

2. Remove all but 2 tablespoons of bacon fat from the pan. Increase the heat to medium high. Working in batches as to not crowd the pan, brown the lamb pieces on all sides, taking care not to stir the lamb pieces so they can get sufficiently browned.

3. Arrange the meat and vegetables in the pan in layers. Start first with a layer of lamb, then add a layer of potatoes, onions, turnips, carrots, and chopped bacon. Add another layer of lamb and then another of vegetables. Add the barley, thyme, black pepper and a teaspoon of salt.

4. Add Guinness to the pot, and bring to a boil. Reduce the heat to a bare simmer. Let simmer, covered, but with the lid slightly ajar, for 1½ to 2 hours, until the meat is fork tender and falling off the bones.

5. Skim any excess fat from the stew. Use tongs to pick out and remove bones. Adjust seasonings, adding salt and pepper to taste.

## Chocolate Easter Nests

A modern take on a family favourite, this Easter treat is sure to please! Why not let the kids try this one out.....and send in your photos to share in the next edition.

- 3 cups broken up Shredded Wheat cereal
- 1 cup desiccated coconut
- 375g chocolate chips/buttons melted
- Small, solid candy coated mini Easter eggs

### How to Make

1. Line 16 holes of muffin pans with paper cases.
2. In a large bowl, mix Shredded Wheat cereal, coconut and melted chocolate chips/buttons, working quickly, stir until well combined.
3. Spoon mixture into prepared cases, use a small metal spoon to make a small hollow in the centre of each; refrigerate until firm. Top with small solid candy coated Easter eggs.
